Advertisement for Clinical Positions

GEORGIA STATE UNIVERSITY invites applications for one or more non-tenure-track clinical faculty positions opening in the Department of Computer Information Systems, effective fall semester 2016 or earlier. The starting dates for these positions are negotiable. Rank is open but we expect to hire at the level of Clinical Assistant or Clinical Associate Professor. Candidates for clinical faculty positions must have demonstrated high-level classroom performance, significant professional experience, demonstrated capability for publishing research in refereed journals, and an earned Ph.D. in Computer Information Systems, Computer Science, or related fields from an AACSB-accredited university or international equivalent. Preference will be given to candidates with teaching interests in one or more of the following areas: Cybersecurity, Database Management, Big Data analytics, Enterprise Systems, and Emerging Technologies.

ABOUT THE ENVIRONMENT

The Department of Computer Information Systems in the J. Mack Robinson College of Business at Georgia State University offers degree programs with majors in information systems at the B.B.A., M.S. and Ph.D. levels. The Department of Computer Information Systems is part of the Robinson College of Business and is consistently ranked as one of the top information systems departments in the world.

Georgia State University (GSU) is a leading urban research University located in the heart of Atlanta. Salary and benefits are competitive. GSU, a unit of the University System of Georgia, is an equal opportunity educational institution and is an equal opportunity affirmative action employer.

FURTHER INFORMATION AND APPLICATION PROCEDURE

Further information about the department is online at <http://www2.cis.Gsu.edu>. Applicants should register with <http://acaciemicjobsonline.org/> (the registration is free) and upload their letter of application, curriculum vitae, three recommendation letters, detailed teaching evaluations for recent years, and evidence of publishing capability. Applicants are strongly encouraged to submit their materials via the online system.

Questions about the positions can be directed to

Clinical Faculty Search Committee Chair
Department of Computer Information Systems
Robinson College of Business
P.O. Box 3988
Atlanta, GA 30302-3988
Email: CISCiinicalHire@gsu.edu

Review of applications will begin immediately and applicants will be reviewed until positions are filled. Positions are contingent on University budget approval.
